

D.O. No. T.11016/02/2018-HR
Dated: 17th July, 2019

Dear Ms Gurnani,

Please refer to D.O. letter No. T-11013/06/2017-HR dated 28th August, 2017 sent by JS DHR (copy enclosed), *inter-alia*, informing about initiation of Health Technology Assessment (HTA) study on the following topics:

- a) HTA of Long Acting Reversible Contraceptive in India by National Institute for Research In Reproductive Health (NIRRH), Mumbai
 - b) Diagnostic efficacy of digital hemoglobinometer (TrueHb), HemoCue and non-invasive devices for screening patients for anemia in the field settings by Public Health Foundation of India, New Delhi and All India Institute of Medical Sciences (AIIMS), New Delhi.
2. This is to inform you that HTA studies in r/o the above topics (a and b) in para 1 have been completed and approved by the Technical Appraisal Committee (TAC) and the Health Technology Assessment in India (HTAI) Board.
3. The outcome of the study undertaken has been presented in the shape of policy brief, attached herewith, which you may consider for incorporation while formulation of schemes / programmes.

with regards

Encl. as above

Yours sincerely,

Anu
(Anu Nagar)
